

1 First Section

Put first section text here. You can even reference Section [1](#) with hyperlinks.

Here is an equation.

$$N_t \equiv \sum_{s=1}^{E+S} \omega_{s,t} \quad \forall t \quad (1)$$

Below is some commented out text for a figure. I have commented it out because I didn't include the figure file with this template. Learn everything else on your own.
